RITA ORA

TWICKENHAM LONDON 1 JUNE

Brit nominated Rita Ora began singing at 6 years old. This is where the magic started. Born in war-torn Kosovo and raised in London's West End, Rita has a natural propensity toward mixing street-beats with pop. Her debut platinum album Ora was number 1 in the UK and included 3 number 1 singles. With support slots on the DJ Fresh and Coldplay tours this year, she's ready.
